Ends 20 Years Of State Policy Duty

Corporal James G. Warren, who was twice stationed at Gettysburg during 20 years of service with the Pennsylvania State Highway Patrol and State Police, retired Saturday.

Corporal Warren, who is well known here, expects to enter business with his brother-in-law, Robert Gilbert, and operate the Fairfield hotel under a partnership.

His duties with the state police, after training school, began here in 1929 when he was stationed here for a year. Then he was transferred to Bedford for a year and then went to Chambersburg for two years. Then he returned to Gettysburg in 1933 and was placed in charge of the local substation from 1933 to 1941.

Later he was stationed at York for two years, then commanded the Duncannon substation for two and a half years and since that time has been assigned to Harrisburg in charge of the traveling examination unit.

FIRE DAMAGES RURAL HOME; LEVELS GARAGE

Fire of undetermined origin destroyed a frame garage and damaged the rear part of a house occupied by Murray Wentz, dispatcher of the Little taxicabs, an eighth of a mile east of the Baltimore pike at White Run Sunday afternoon, with a loss estimated at \$1,000, covered by insurance.

The fire started in the garage shortly before 2 o'clock, and spread to the house. A smokehouse was also damaged. Mr. Wentz was away, but his wife and four children were at home. The fire was not discovered until it had gained considerable headway, and it was necessary to go a quarter of a mile to a home on the Baltimore pike to telephone the alarm.

The garage contained a quantity of wood and a fifty-gallon kerosene drum. Gettysburg firemen were called. They were prevented from running a truck to the creek because of the soft condition of the ground, and used booster lines and water from a cistern.

The gable end of the house and the attic were damaged, but firemen saved the house from total destruction. Neighbors removed much of the furniture. Firemen remained at the fire an hour and a half.

The house and other buildings are owned by Ernest Swartz, Chambersburg street, now in Arizona.

NEED RELIGION TO KEEP PEACE

"Religious conviction and faith on the part of individuals must lead the way to peace," Dr. William Barrow Pugh, stated clerk of the General Assembly of the Presbyterian church, declared in an address on the Methodist-Presbyterian Sunday Evening Hour in the Methodist church.

Speaking on the theme "Our Mission Today," Dr. Pugh declared: "We must place our entire reliance upon God, renew our faith in the gospel of Christ and remind ourselves of the power of prayer."

Declaring that in "agonizing, intercessory prayer are lives vitalized," the speaker observed that "organizing" has been substituted for "agonizing" in much of our church program today. "The only practical and secure way of life ever devised is contained in the scriptures," he added.

The guest soloist was Miss Anna Dypore of Gettysburg college. The worship service was conducted by the Rev. Floyd A. Carroll, Methodist pastor, and the Rev. Harry S. Ecker, Lower Marsh Creek Presbyterian pastor, who presented the speaker.

Next Sunday there will be an organ recital by Harold Hunt, dean of the York chapter of the American Guild of Organists, and director of music at Grace Lutheran church in York. The recital will be at 4 p. m.

SAYS AMERICA PROGRESSED IN TROUBLED ERAS

"These are troubled times — but America was sired and thrived on troubles and difficulties," John Davis, mayor of Reading, declared Saturday evening at the 18th annual banquet of the Past Commanders and Past Presidents Association, Sons of Union Veterans, held at the Hotel Gettysburg.

Mayor Davis was the principal speaker at the dinner held to commemorate the dedication of the Gettysburg National Cemetery 85 years ago.

"Trouble is the one factor that brings about more progress than anything else, and if the past can be used as a yardstick, the troubles of today should be followed by great progress," Mayor Davis said. "In 1453 the Turks took Constantinople, and that caused trouble for the Mediterranean and European countries. The Mediterranean countries were the economic center of the world at that time. But when trade with the east was cut off by the Turks' capture of Constantinople business was halted. A terrible depression set in. There was trouble, and in facing that trouble Spain backed Columbus and America was discovered."

Post Office Swamped By Stamp Sales Of 973,306

Postmaster Lawrence E. Oyler and his regular postal crew, plus a special force of 64 employees, have finally dug themselves out of the darkness of mountains of mail into daylight and clear sailing from the First Day of Issue sale of the postage stamp commemorating the 85th anniversary of Lincoln's Gettysburg Address.

This morning Postmaster Oyler announced that the local office had sold 973,306 three-cent stamps and cancelled 397,580 First Day Covers. The latter figure is more than 20,000 in excess of the previous high for commemorative First Day Covers. This is far greater than any Christmas business at the local post office.

Nineteen special workers were called to duty at the post office on November 1 to start assembling First Day Covers by districts, states, and countries to expedite mailing after the stamps were affixed.

Deadline Is Past

When 1,200,000 stamps were delivered here Postmaster Oyler set his special crews to work placing the stamps on the Covers and sending them through the special cancelling machines.

The deadline for sending First Day Covers with the special November 19 post mark through the mails is over. From now on these Covers will have to be placed in another envelope to be mailed.

The remainder of the unsold Lincoln stamps will be retained here and will be available to the public until the supply of 1,200,000 is sold. Postmaster Oyler does not expect an additional shipment. If there is a demand for additional Lincoln stamps here and they are available at the Post Office Department in Washington Mr. Oyler will make a special request, however there is no assurance that more can be secured.

Local residents who want additional stamps should make their purchases now. Mr. Oyler announced.

Commend Postmaster

Postmaster Oyler and his assistants were praised for the thoroughness of their preparations for the cancellation of the thousands of first day covers.

Charles Kirwick and Robert Woodington, sent here last week from the Post Office Department in Washington to operate the two special cancelling machines, said the preparations were better than in any other place where they had been sent to cancel "first day of issue" letters.

One of the many thousands who wrote here requesting a first day cover was Mrs. Mary Harlan Brooks, Glendale, Calif., a direct descendant of Senator James Harlan of Iowa, one-time Secretary of Interior in Lincoln's cabinet.

CYCLIST HURT IN SUNDAY SPILL

Blanton O. Starner, 26, of Hanover R. 1, was taken to the Hanover hospital Sunday afternoon with injuries to his left hand, left leg and right shoulder, suffered when he fell from his motorcycle on a dirt road west of Abbotstown at 2:15 o'clock.

State police of the Gettysburg substation, who investigated the accident, said Starner was riding his motorcycle south and skidded on the loose gravel. A passing motorist took him to the office of Dr. Samuel Kirkpatrick, New Oxford, and he was later taken to the hospital. Damage to the motorcycle was estimated at \$5.

Three automobiles figured in a crash at Carlisle street and Lincoln avenue at 2:45 Sunday morning, according to a borough police report.

Cars driven by Nathan Haut, Ft. Meade, Md., and James R. Sanders, 122 West High street, had stopped for the traffic light. A car operated by Walter Wojtczak, Rochester, N.Y., turned from Lincoln avenue into Carlisle street and struck the other cars, police said. Wojtczak told police his steering gear jammed.

Damage to his car was estimated at \$35. Haut's car suffered \$35 damage and Sanders' car, \$10, police said. No one was injured.

BRING NEGRO BACK TO JAIL

A Pittsburgh negro, George R. Williams, 38, arrested here May 13 on four disorderly conduct charges, and released after paying fines of \$10 and costs on each of the four charges, was back in the Adams county jail again, awaiting a hearing on a new charge growing out of the May episodes.

Williams, it is alleged, went to four stores in Gettysburg and attempted to work the "film flam" game, a sort of "short change" trick in reverse. He was successful in two of the four stores, and netted \$9, borough police said.

After paying the fines and costs, Williams was released. Chief of Police Robert C. Harpster talked with District Attorney Daniel E. Teeter after Williams' release. The district attorney agreed that the man should be brought back and prosecuted for false pretense or larceny by trick, Teeter said today. A warrant was issued the next day on the latter charge.

Williams was arrested in Tamaqua, Pa., and Saturday paid a fine and costs on a disorderly conduct charge, Harpster said. He was brought here from that city to face the charge here. Chief Harpster said today Williams had made restitution for the money he is alleged to have "film flamed" in Gettysburg.

NORTHWESTERN ASSURED SPOT IN ROSE BOWL

By WILL GRIMSLEY
New York, Nov. 22 (AP)—Two of the fiercer bowls—Rose and Cotton—choose their Jan. 1 lineup today, but fans must wait another week to learn the rival attractions in Dixie's sugar and orange fixtures.

Northwestern needs only the Big Nine's formal top to start making plans for the Pasadena Juncet. Meanwhile, is polling members on whether California or Oregon shall furnish the Wildcats' opposition in the rose pageant. An announcement from both ends has been promised today.

Tie on Coast
Northwestern qualified for the assignment by losing Illinois, Saturday, 20-7, and finishing second in the conference to Michigan, which is ineligible to do a repeat job at Pasadena.

The west coast decision is tougher. California and Oregon looked in a tie for the conference championship, the Bears with six victories and the Webfoots with seven against no defeats in the league. But Oregon lost to Michigan outside while California went all the way without a blemish.

Southern Methodist clinched the host spot in the Cotton Bowl at Dallas by humbling Baylor, 13-6. Today the Mustang players vote on their opponent from a list of available teams submitted by the bowl committee.

Sugar, Orange Bowls Delay
Oklahoma, North Carolina, Georgia and Clemson are reported high in favor with the southwesters. But the availability of these teams is a question mark.

Sponsors of the lucrative Sugar Bowl game at New Orleans and the Orange Bowl at Miami, who have delayed their announcements until this coming week-end, may have some strings attached to the list. The Sugar and Orange groups have an agreement not toicker with Southeastern conference teams until the Saturday after Thanksgiving.

Southeastern teams still in the bowl picture, besides Georgia, are Tulane and Mississippi, each with only one setback.

Penn State Major Upset
The week-end's major upset saw Pittsburgh spoil Penn State's two-year unbeaten string, 7-0. Tackle Nick Boklovac did it by running 23 yards with an intercepted pass in the last quarter.

Boklovac's sprint virtually eliminated the Nittany Lions from major bowl consideration. The other bowls are lining up their programs right along. The Dixie in Birmingham has signed Wake Forest and has several feelers out for an opponent. The Delta Bowl in Memphis has William and Mary as one attraction. Texas Mines is headed for the Sun Bowl in El Paso.

PENN STATE AND ARMY GET PAIR ON ALL-EAST 11

By HAROLD CLAASEN
New York, Nov. 22—Penn State and Army, the east's two most robust football powers, each grabbed a pair of positions today on the all-east eleven selected by The Associated Press after consultations with coaches, scouts and other grid experts.

The Cadets, unbeaten and with only off-beaten Navy ahead, placed Jim Henry at one guard berth and Bobby Jack Stuart at one of the halfback positions.

Bowl-hungry Penn State, a team that trampled mighty Penn even more decisively than did Army, placed Sam Tamburo at one end and sent along Joseph Drzenovich to play alongside of Henry at guard.

Bednarik Repairs
Of the eleven positions on the eastern all-star aggregation five went to Non-Ivy league schools. Tackle Ernest Stautner of Boston college completing the quintet along with the Army and Penn State pairs.

The Ivy-clad schools furnished Dale Armstrong of Dartmouth, at the other end post; Richard Clark of Cornell, at tackle with Stautner; Charles Bednarik of Pennsylvania, at center; George Sella of Princeton; Lou Kusserow of Columbia and Levi Jackson of Yale in the backfield.

Bednarik, all-America center a year ago, is the only repeater. He also was the eastern 1947 all-star pivot.

TOP OFFENSIVES CLICK SUNDAY ON PRO GRIDIRONS

By BEN PHILEGAR
New York, Nov. 22 (AP)—Two running and passing combinations that work together like beer and pretzels are bidding for attention in the rival pro football circuits.

The national league presents Tommygun Thompson and Steve Van Buren of the Philadelphia Eagles. The All-America conference counters with automatic Otto Graham and Marion Motley of the Cleveland Browns.

Thompson and Van Buren have moved the football on the ground and through the air 2,212 yards, just over a mile and a quarter, in nine games. That's an average of 246 yards a game. Graham and Motley have picked up 2,886 yards in 10 contests via the same routes, an average of 289.

Yankees, Redskins Lose
Both combinations had good days yesterday. Graham and Motley powered the Browns to a 34-21 decision over the New York Yankees at Yankee stadium. Thompson and Van Buren led the Eagles to a 42-21 triumph over Washington at Philadelphia.

Thompson passed for three touchdowns and gained 184 yards on 12 completions. Van Buren carried the ball 29 times for 171 yards. The Philadelphia victory virtually assured the Eagles of the eastern division title in the National League. They have a game and a half edge over Washington with three to play—against Pittsburgh Sunday, Boston and Detroit.

Worst Loss For Packers
Nothing much was done yesterday about settling the western division race in the National League except to make sure a Chicago team will win it. Los Angeles, the last club that had a chance to share in the crown, lost it by bowing to the Chicago Cardinals, 27-24. The Chicago Bears had it easy in Boston, downing the hapless Yanks, 51-17.

Frank Minini tallied three times for the winners. Green Bay's Packers looked so bad in losing to New York, 49-3, that Coach Lambeau asked waivers on one player and declared he'd "like to get rid of 10 or 12 more. X X X we were disgraceful out there." It was the Packers' worst loss in history. Charlie Conerly, the Giants' prize rookie, wiped muddy hands on his jersey and completed 20 out of 29 passes.

Break Dozen Records
Bill Dudley scored twice for Detroit as the Lions upset Pittsburgh, 17-14, at Detroit for their second victory of the season.

San Francisco and Brooklyn acted as if they'd never heard of the two platoon system. If they had, they forgot to bring the defensive units to Ebbsfield yesterday. When the firing was all over San Francisco was on top, 63-40, and 12 assorted conference offensive records had been broken.

Los Angeles edged Baltimore, 17-14, on a field goal by Ben Agajanian with 35 seconds left to play. Chicago and Buffalo were idle. The New York and Baltimore losses, however, left Buffalo all alone in first place in the eastern division of the AAC.

GRID SPOTLIGHT ON PANTHERS IN PENNSYLVANIA

(By The Associated Press)
Three Pennsylvania colleges were mentioned in bowl talk today, but they had to take a back seat as the football spotlight shone brightly on Pittsburgh.

There was merrymaking on the campuses of Pitt and Carnegie Tech as the Panthers and Skibos celebrated identical 7-0 victories in major upsets Saturday.

Mike Milligan's gallant Pitt eleven apparently paid no attention to the press notices about the mighty Penn State team. The Panther welcoming committee made the Nittany Lions feel that Pittsburgh was downright inhospitable.

Time Ran Out

For three gruelling quarters, the Panthers took everything State threw at them and held the heavily-favored Nittany Lions to a scoreless draw. Then in the final quarter, Tackle Nick Boklovac intercepted an Elwood Petchel pass and galloped 23 yards to score for Pitt.

Boklovac added the extra point that made it 7-0 and then Pitt frustrated the enraged Lions' counter attack. Franny Rogel's desperate last-minute smash put the ball on the Pitt one and then time ran out.

Penn State was bounced from the undefeated. It was also the Lions' first loss in 18 games since they bowed to Pitt, 14-7 in 1946. The last time Penn State was shut out was in another loss to Pitt, 7-0 in 1945.

First Win Since 1942

The students at Carnegie Tech were going wild after the Skibos ended a 26-game losing streak dating back to 1942 with a 7-0 upset victory over Grove City, previously beaten only once. Freshman Johnny Luchok sped 51 yards for Tech's score and the ball game.

Villanova (6-2-1), Lafayette (7-2) and Bloomsburg Teachers (9-0) are the bowl possibilities. Villanova's Wildcats, who put on an amazing fourth-quarter rally that netted them 33 points and beat San Francisco 46-13 on Saturday, are a good bet to play in Florida's Delta Bowl game on New Year's day.

Lafayette is considering an invitation to play in the Sun Bowl in Texas. The Leopards completed their season with a 23-13 victory over Lehigh in their traditional struggle. Lehigh went in front 13-0 in the first quarter, but Lafayette outgained the Engineers with a stirring second half rally to win. The game ended in a near riot with night stick-wielding policemen breaking up the fray.

Duquesne Loses
Bloomsburg ended its season a week ago and reports it has received a feeler from promoters of the Tangerine Bowl in Florida. The Huskies say they'll accept the bid if it is made official.

Form held in at least one game over the week-end. Clemson walked off Duquesne 42-0. It was the ninth straight win for Clemson and the seventh straight loss for Duquesne.

Washington and Jefferson was beaten 26-25 by Ohio Wesleyan as Dan Towler fell one point short of tying the all-time college scoring record held by Bill Dudley of Virginia. Towler tallied 19 points to make his final season total 133. In another upset, Slippery Rock bowed to Shippensburg, 7-0. Other Pennsylvania games wound up this way: Swarthmore 28, Haverford 28; Lebanon Valley 19, Ursula 13; Lock Haven 46, Catholic 7; Muhlenberg 44, Bucknell 14; Scranton 27, Niagara 14; Bergen 19, Lincoln 6; P.M.C. 39, Albright 0; Susquehanna 13, Ursinus 0; Holy Cross 13, Temple 7, and St. Bonaventure 28, St. Vincent 12.

Sportswriters Group Formed
An organizational meeting of the Southern Pennsylvania Sportswriters' association was held Sunday afternoon at the Moose home here. Edouard Greiner, Hanover, was elected president; Wilbur Davis, of Waynesboro, vice president, and Don Bream, Gettysburg, secretary treasurer.

The group mapped plans for improving coverage of South Penn sporting events which will also include selections of all-conference football and basketball teams. The initial football selections of the organization will be announced Thursday, December 2.

Vaden Richards, Chambersburg, was appointed as the statistician for 1948-49 basketball season.

Attending the meeting in addition to those already mentioned were Don Yonan, Mechanicsburg; Norman Cordell, Waynesboro, and Dick Shopp, representing the Hershey high school "Broadcaster."

Queen Elizabeth Crew Returning
Southampton, England, Nov. 22 (AP)—Striking crewmen of the Queen Elizabeth agreed to go back to work today after the Cunard White Star line promised not to tail the liner to the United States until the Longshoremen's strike there is settled. The men promised to return to work at noon (7 a. m., EST). The line promised also, not to sail to Halifax, the port of which some

Sachs 3rd in Pass Tossing
Ross Sachs, Gettysburg college passing ace, ranks third among the small college passers in completions, according to figures of the National Collegiate Athletic bureau. Figures include games played on November 13.

Sachs has connected on 69 of 140 attempts for a total of 892 yards and 12 touchdowns. Ten of his passes were intercepted. The leader, Peters, of Hanover, has amassed 1,571 yards good for 12 touchdowns.

The former Gettysburg high star ranks 17th in total offense with 908 yards in 156 plays.

Don Emert, Bullet end, is 21st in pass receiving with 18 caught for 241 yards and five touchdowns. Dwight Speaker, back, is 29th with 16 caught for 251 yards and five touchdowns, and Bob McCausland, end, is 30th with 16 receptions good for 151 yards.

The Bullets have one more game remaining, meeting Franklin and Marshall at Lancaster on Thanksgiving Day.

British ships were diverted last week. Return of the crew will restore full service to more than 1,500 passengers who have been on board since the men walked off Saturday morning, 70 minutes before sailing time.

Scholastic Upset Pulled By Donora

Harrisburg, Nov. 22 (AP)—Honors for pulling the upset of the year in Pennsylvania's scholastic football ranks belonged today to the Donora Dragons.

The twice-defeated Dragons tossed an underdog role to the winds and parlayed a second half comeback into a 26-7 upset victory over Duquesne's Little Dukes.

The defeat snapped Duquesne's 10-game win streak and lost for it the chance to oppose Monongahela in the WPIAL Class AA championship playoff at Pitt stadium next Saturday. New Castle, also undefeated and untied in league competition, becomes Monongahela's opponent.

Sharing WPIAL interest were the selection of Crafton and Trinity as Class A co-champions and Bridgeville as Class B titlist.

VALLEY FORGE ELEVEN TRIPS FRESHMEN 34-0

John "Buck" Stahle's Valley Forge Military academy football team completely outclassed the Gettysburg college freshmen here Saturday afternoon to defeat the locals 34-0 in the final game of the season for the frosh who dropped all five of their games this season.

"Buck" Flynn, cadet halfback, was the sparkplug of the victors, scoring one touchdown and whipping three touchdowns passes.

The teams battled on even terms in the first period which ended scoreless. Midway in the second quarter Flynn hit center from the 1-yard line to tally after a march of 55 yards. Rhodes made the first of his four straight placement conversions.

A recovered Bullet fumble on Gettysburg's 40 by Naylor paved the way for the cadets' second score, Flynn hurling passes to Chandler and Pierson, the latter scoring.

Passes Click

Valley Forge moved 75 yards for a score in the third period, Flynn finally whipping a pass to Davis on the 25 from where he raced over. The fourth cadet tally came early in the fourth quarter when Flynn heaved a pass to Weaver which was good for approximately 30 yards.

Reese intercepted a Gettysburg pass late in the final round on the Bullet 10 and then Ashton hurled a pass to Davis for the score. Rhodes missed his placement after the cadets had been set back five yards on a penalty.

Gettysburg's lone scoring threat came in the late minutes of the third period when a first down was gained on the visitors' 15 but Valley Forge held and took the ball at that spot.

The victory was the sixth in eight starts for the cadets.

THUNDERBOLTS CAPTURE 6TH GRID VICTORY

Littlestown high school's football team won its sixth victory in eight starts Saturday afternoon by defeating Washington Township 21-12 in a hard-fought game at Littlestown.

Coach Evan's Thunderbolts will wind up their season by meeting Quincy on Thanksgiving Day morning at 10 o'clock at Littlestown.

Littlestown tallied in the first period of Saturday's game, Feaser going over from the 5-yard line to cap a 50-yard drive. Rice passed to Sentz for the point.

In the second period Washington Township scored when Shindledecker bucked over from the 4 after the Franklin countians had moved 40 yards. Weogley's line plunge for the point was halted by the Littlestown forward wall.

Koons raced 25 yards on an end run to produce Littlestown's second touchdown in the third frame and Rice converted the extra point on a line drive.

Connect On Passes
A 15-yard pass from Helfrick to Pentz, with the latter racing an additional 20 yards brought the final Washington Township touchdown in the third quarter. Weogley was halted on a plunge for the point.

The final Littlestown touchdown came in the last quarter when Rice passed 15 yards to Sentz and the latter jaunted 10 more yards to hit pay dirt. Another aerial, Rice to Sentz, was good for the point.

Weogley was outstanding for Washington Township while F. Gerick, Rice and Sentz played well for the victors.

Littlestown rolled up 12 first downs to nine for their opponents. The Thunderbolts connected on two of 11 passes, three being intercepted. Washington Township completed but one pass, three being grounded and two intercepted.

Monday Matinee
Rear Admiral Eddie Ewen, only man ever to captain two Navy football teams, both of which beat Army, will have to miss next Saturday's Army-Navy game. He's confined to bed in the Naval hospital at Bethesda, Md., as a result of football injuries he suffered as a plebe in 1916. Rochester Johnny Flynn may be the first "major" opponent in Billy Conn's comeback campaign. Pittsburgh promoters are bidding for the bout as a result of Flynn's recent win over Rusty Payne.

Today's Talk

ONE INCREASING PURPOSE

Plan and purpose go hand in hand. We cannot get very far in life without them both. We must first have the plan; then comes the purpose—ever increasing until the particular goal is reached.

There are secret longings in us all. We don't have to tell people about them. Sooner or later people will see the light that they spread. Influence is a good definition of this word "light." When our light spreads it is the same as influence, which you can't see, but feel as existing.

This one increasing purpose can father a dozen or more objectives. But to attain its full spiritual gain, none of those objectives can long be tied to any material or political end. The touch of Fortune is too fickle. That which you build within your own consciousness, however, is something that no turn of fortune can disturb.

I came across this sentence by Abraham Lincoln in my recent reading. He said: "It is difficult to make a man miserable while he feels worthy of himself and claims kinred to the great God who made him." One increasing purpose in the breast and mind of such a one could do nothing else than to produce both a happy and useful man.

One of the greatest and most inspiring of all studies is that of biography. The more we read of what other men and women have done with their lives, the more we are inspired to be of some definite use in the world. And in this reading it is so evident that the subject daily knitted into his or her entire career one increasing purpose.

The great lawyer pleading an important case never loses track of the facts in the case. He hangs to them. Like a string of beads, they are evidenced as he pleads. Ane purpose alone is uppermost—conviction or freedom, gain or loss.

No happening or person, or many happenings and persons, can defeat the purpose of one who has determined to carry it through. And that purpose does not have to be a material one. There is such a thing as a spiritual triumph, and there always will be.

Tomorrow Mr. Adams will talk on the subject: "An Inspiring Caller"

ABOUT REDUCING

"When it comes to taking off weight, men do better than women," says a nutritionist.

At keeping the fat from the body's interior

An expert declares that the man is superior.

Though the figures she reads on the scale may have shocked her,

Woman asks for advice, but won't follow her doctor.

When man finds his belt is beginning to tighten, And the doctor suggests that his intake he lighten,

Though he likes apple pie with ice cream to adorn it,

With will power that's greater than woman's, he'll scorn it.

When middle age flesh is beginning to fret us,

A woman will rabbit-like nibble at lettuce,

But she is more apt, if a dishful be handy,

To yield to temptation and fill up on candy.

On a diet the anguish of hunger to suffer,

It seems of the sexes the male is the tougher;

The braver, perhaps, as a moderate eater,

But woman, God bless her! is surely the sweeter.

NUTS AS A FARM REVENUE CROP

Last year (1947) we imported from foreign countries nuts and nut products amounting to approximately thirty-two and a half million dollars, not including coconuts and peanuts. Of course, this is not an amazing importation, compared to our imports of meats, cheese, vegetable oils and wool, but the total becomes impressive when we think of the potential market which our farmers could develop if we were today growing the nuts we now buy from foreign farms and building up the full possibilities of American consumer demands.

Our own farms should be producing most of the nuts we now import. There are many reasons for this claim: (1) The editor holds to the sound principle that we have no excuses for importing crops which could be and should be grown on our own farms to enrich our own farmers; (2) Consumer demands for nuts are increasing rapidly year after year as these nourishing products enter more and more into pastries, candies, ice cream and other foods; (3) Nut trees are easy on soils, particularly are they ideal for sloping land which is otherwise endangered by erosion when devoted to tilled crops; (4) Nut trees thrive in many soils now idle and where other revenue crops are not adopted; (5) Planting, care and harvest labor demand a lower unit of expense than most other revenue crops; (6) Nut trees, as a group, are deep rooting in habits, hence they interfere little with pasture hay and other inter-produced crops; (7) Nut trees, especially black walnut, grow into valuable timber while they produce annual revenue from nut sales; (8) Few other farm crops are moved from field to market with less harvest, storage and packing labor and with lower rates of loss; (9) Nut trees are attacked by relatively few insects and require a minimum of protection from diseases.

Among nuts which should be considered for this region are black walnuts, blight-resistant chestnuts, shagbark and shell bark hickorynuts, filberts (hazelnuts) and the old-fashioned butternut. English walnuts and pecans merit consideration as far as their hardness and adaptability to soils and climate warrant.

There are two initial ways to start nut trees—plant nuts and thereby grow ordinary seedling trees, or buy and set out grafted or budded nursery plants. Where black walnuts and hickorynuts are started for ultimate production of timber as well as nuts in the meantime, nuts

from high quality trees and trees which yield high grade nuts may be planted. But where nut production is begun as a serious farm business it is wise to plant most of the orchard of nursery stock of unquestioned quality. This is particularly true of chestnuts, filberts, English walnuts and pecans.

Nursery plants may be set out any time before winter while soil and weather conditions permit or in late February and early March. Nuts should be planted before winter or stratified and planted in late February or as early in March as possible.

The editor urges interested farmers to write him about their plans along this line. We should abandon the inexcusable idea that nuts are luxury crops, that their growing is not a basic farm business. It is long past time to adopt these fine foods as we have long since adopted apples, pears, peaches and other tree fruits as crops for well-planned and sustained production.

Christmas Early For Cancer Victim

Belleville, Pa., Nov. 22 (AP)—It was Christmas day Saturday for little Leo "Lucky" Jordan, 4, whom doctors say has only two months to live. The little fellow sat on the floor of his parents' trailer home and busied himself with dozens of shiny new toys, unaware that his special Christmas has a somber purpose. Lucky is suffering from cancer of the lungs and doctors say there is no hope for his recovery.

Last night Lucky was taken to a downtown store after closing hours and was given his choice of anything he wanted in the toy department.

NEW IRISH BILL AIMS TO SEVER BRITAIN'S TIES

By DEWITT MACKENZIE
(AP Foreign Affairs Analyst)

The bill now before the parliament of Eire, to sever the last remaining tie between that country and the British Commonwealth, will cause no surprise to those who know the depth of the bitterness which the southern Irish feel for England. The only tie remaining between England and Eire is an act which allows the British king to accredit Eire's representatives in foreign countries and to sign international agreements. That isn't much of a bond, but Mr. Costello's bill will cut even that, if passed by parliament. The gain will be absolute sovereignty without any semblance of attachment to the British crown. And if there is any loss involved, Eire will be glad to take it. The prospects are that there may be some.

Question of Preferences

For example, the citizens of Eire who are in England have the rights of British citizens, and the same

is true in all the British dominions. Presumably the people of Eire will be deprived of this right. Further Eire now gets imperial preferences and advantages in trade over foreign nations. However, the chances seem fair that Britain will try to work out a scheme to overcome these difficulties and continue to give Eire preferential treatment. Prime Minister Costello has declared himself in favor of close association between his country and the states of the British Commonwealth.

British Commonwealth leaders in Paris predict that when the Costello bill has become law Britain and Eire will start negotiating a treaty for a close military and economic alliance, though this possibility is denied in Dublin. However, representatives of Britain, Australia, Canada and New Zealand have stated informally that they want to continue close economic and political associations with Eire.

HEAVY DEER KILL EXPECTED IN PA.

Harrisburg, Nov. 22 (AP) — Opening of the deer hunting season a week from today is expected to attract a half million nimrods to Pennsylvania's woods. The state game charged from the Hanover hospital. Mrs. Charles Grim and daughter, Susan, recently spent several days with her brother and sister-in-law, Dr. and Mrs. Paul Estep, Baltimore. Pvt. George Butt, who was at Camp Breckenridge, Kentucky, has been moved to Fort Eustice, Va., where he entered a training school as a ship fitter.

STATE MISHAPS KILL 9 PERSONS OVER WEEK-END

(By The Associated Press)
Seven persons died in highway crashes in Pennsylvania over the week-end, while an eighth was crushed beneath a collapsing wall and a ninth was killed in a hunting accident.

Donald Webster, 20, R. D. 1, of Oseola Mills, died Sunday night of injuries sustained a few hours earlier when an automobile in which he was a passenger collided with a freight train at Ramey, near Phillipsburg.

Mrs. Norman Woodson, 30-year old mother of two children, was killed and her 18-year-old brother-in-law, Robert Woodson, seriously injured as their car rammed into a tree in Philadelphia. Both were from Feasterville, Bucks county.

Twenty-year-old Riedel E. Straw, Jr., Harrisburg, was killed in a motorcycle accident near his home. The cycle collided with a car.

John Goehring, 74, of Route 2, Ligonier, was struck by an automobile as he crossed a highway near Greensburg.

Wall Crashes Man
Irvin N. Wingard, 57, Bethlehem Steel company worker, was struck by falling bricks as a wall collapsed at the Johnstown Steel plant. The coroner said his skull was fractured.

James Lake, 23, Franklin, was killed and five others hurt in a collision at a downtown Franklin intersection.

Paul J. Damratowski, 21-year-old war veteran, became Allegheny county's first fatality of the small-game hunting season. The Pittsburgh youth who was a student at Duquesne university, was killed when he was struck by an accidental discharge from a companion's gun, the coroner reported.

Miss Eva Shuke, 65, of Scranton, was struck and killed by an auto near her home.

Fred C. Hodgson, 20, of route 3, Bradford, was killed and two companions hurt seriously when their car plunged down an embankment after knocking over 12 guard rails.

Draws \$15,722 On Another Account

York, Pa., Nov. 22 (AP)—The confusion of identical names in banking accounts resulted in charges against a Wrightsville man for fraudulent conversion of \$15,722.

The York Trust company, filed the charge against J. E. Baker, 50, of nearby Wrightsville. It also has another depositor by the same name from nearby Stewartstown.

O. H. Heckert, bank vice president, said the Stewartstown, J. E. Baker deposited the money and the bank erroneously credited it to the Wrightsville J. E. Baker.

The bank officials also testified at a hearing before Alderman Fred O. Strine that the Wrightsville man drew from his account \$19,997 which did not belong to him. About \$4,254 was still in the account when bank officials caught up with the error.

The Wrightsville Baker was held in \$2,500 bond for appearance in the January term of court.

GARDEN TASKS FOR NOVEMBER

Prepare mulching material to be put on after the ground has frozen hard and the plants are dormant. Excellent mulching materials are straw or hay, tobacco stems, leaves and pine needles.

Stake newly planted trees so that snow and winter winds will not move them. Wrap burlap around these new trees from the ground up to the first branches to prevent sun scald, drying of the bark and attack from borers. Deciduous trees and shrubs can be planted until the ground freezes.

Start saving wood ashes from your fireplace; they will serve as a good soil improver in the spring.

Evergreens should be well watered as long as the ground is not frozen.

Cleanliness is important to house plants. They should be inspected periodically for insect pests. Those with glossy foliage need a weekly

sponge bath to remove the dust which accumulates. Plants with fuzzy and hairy leaves should not be sponged. Keep the soil surface lightly cultivated.

Clean up under all fruit trees. Never leave rotted plums on the ground; they might spread brown rot.

Clean up the vegetable garden, too, particularly corn stalks and roots, squash and bean vines. Gather and burn all plant tops that are not fit to use in the compost pile.

There is still time to plant tulips, daffodils and other hardy spring flowering bulbs.

Continue planting deciduous trees

and shrubs until the ground freezes hard.

Keep the air moist around your house plants by placing pans of water on or near your radiators.

GOP PURGE IN PA. REPORTED

Washington, Nov. 22 (AP)—A move to purge the present leadership of the Republican national committee was said today to be shaping up around Gov. James H. Duff of Pennsylvania.

Duff is being mentioned in some GOP quarters as a possible candidate to succeed Rep. Hugh D. Scott, Jr., who was beckoned to the national chairmanship by Gov. Thomas E. Dewey.

Many Republicans here doubt that Duff will let himself become publicly involved in any such contest. But these same GOP officials say they think the Pennsylvania governor must be reckoned with in any move to change the party's high command.

Duff isn't a member of the national committee but friends say he wields a lot of influence as the governor of a big state that stayed in the Republican column November 2.

The 65-year-old Pennsylvanian represents to many the party's anti-Dewey forces who took a licking at the Philadelphia convention. They have bounced back into the limelight since Dewey's defeat by President Truman. Duff made his peace with Dewey during the general election campaign.

But he did about everything he could to oppose Dewey's nomination. He lost a fight within his own state's delegation when Senator Edward Martin and other leaders plumped for the New York governor.

BIG GAS LINE BREAKS, FIRES

Seymour, Ind., Nov. 21 (AP)—"Big Inch" pipeline erupted into a tower of flaming natural gas visible for miles last night, injuring 16 persons and destroying 14 cars and trucks and several small buildings.

The line broke just before 6 p. m. (CST) at the Reddington pumping station eight miles northeast of here. A second blast occurred an hour and half later, sending another column of fire into the air near the first.

About 30 men in the enclosure housing the pumping station fled to safety when the flames first shot up. Sixteen were treated for burns, but only three were kept in Schneck memorial hospital here. Their condition was not believed serious.

State police said one other man had not been accounted for. They added, however, that it was not cer-
